Declaration: I, the applicant, represent that: 1) I am applying for membership/coverage; 2) I signed/typed my name in the place(s) provided herein; and 3) The above statements are true, and I have not misstated or suppressed any facts. I understand that: 1) If coverage is granted, my policy is issued in reliance upon such statements; 2) Such statements are deemed material; 3) Untrue statements could void my insurance; 4) This declaration shall be the basis of, and form a part of, my policy; 5) There is no guarantee that coverage will be renewed; and 6) The Policy requires that I report, in writing, within 3 days, or as soon as practicable, incidents reasonably likely to involve this insurance, including oral or written patient complaints, threats, or lawsuits.

Claims Made: I understand that my Policy will be limited to claims made against me during the Policy period arising out of the rendering of, or failure to render, professional services subsequent to the retroactive date. I understand that the Claims Made option provides that if the Policy terminates for any reason, there is no coverage for claims reported after the termination date (even though the injury occurred while the Policy was in force), unless I purchase Extended Coverage within 30 days after termination.

Authorization: If coverage is granted, I authorize you to: 1) Process payments when due, including any installments, by charging the Credit Card or debiting the Bank Account provided, in compliance with issuer agreements and U.S. law, and agree that this authority will remain in effect until I have canceled it in writing; 2) Request and receive information about me for any underwriting or claim-related inquiry from any professional association, licensing board or healthcare organization; and 3) Opt me in and allow the Company to communicate with me through Email, Fax, Phone, and SMS/ MMS messaging or other text messaging platforms.

Elite Coverage Requirements: I understand that I am applying for coverage under the provisions of the Elite Program. I must use only forms approved by the Company, a sample of which is attached to this application. **I agree to have every patient I see for care**, on or after the Policy activation date, **sign the Arbitration Agreement and Informed Consent prior to treatment**, which will cover all care provided thereafter. I understand and agree that having a signed Arbitration Agreement and Informed Consent is a requirement for coverage for any claim submitted under my Elite policy. I understand that if I choose to enroll in a program which doesn't require an Arbitration Agreement and Informed Consent, such as the Company's Preferred Program, the requirements for the Elite Program will still apply for all care rendered before enrolling in such program.
